

Wall mount: 1100 - 1750 mm

## 002.1575 EOL | Wall mount with continuous length adjustment, 110 - 175 cm, with univ. bracket

The SmartMetals wall mounts fit virtually any projector and are available in a range of standard lengths. All models can be continuously adjusted in length and include a ball joint that can be adjusted without tools. The universal bracket and your projector can be attached to the ball joint and can be positioned to any direction. The cable duct is easily accessible from the outside and the slotted holes in the wall plate make wall mounting straightforward.

**This product is "End of Life" and will no longer be produced.
