

## Mounting kit incl. white boards

### **152.0100-LS** Mounting kit incl. white boards of lacquered steel for touch screen 55 - 65 inch

This whiteboard kit is made of lacquered steel on both sides enclosed by an aluminium frame. These whiteboards are custom-made for your touch display or whiteboard model. Compared to enamel steel, lacquered steel offers usage stains of markers easily. A proper cleaning is strongly recommended. SmartMetals offers 1 year warranty on the surface of a lacquered steel whiteboard. This mounting kit creates a fixed or an in height adjustable solution for optimal use of your presentation tool.

[Whiteboards and mounting kits are custom made to perfectly fit your \(touch\) monitor. Please specify upon order what brand and typ \(touch\) monitor you are using.](#)

Mounting kit incl. white boards
