

## Freestanding floor lift

### **062.7140** Freestanding floor lift for touch screen 86 inch, 120 kg

This floor lift offers, thanks to its double columns, extra stability and robustness for working with a touch display. The display can easily be adjusted in height with the remote control, it adjusts it silently & electrically in height.

The lift has an integrated bracket with a maximum VESA 600 x 400.

The cabinet behind the mounting surface offers sufficient space for placing a mini PC or other peripherals.

For this lift we have accessories available like whiteboard wings, soundbar bracket and lockable back cover.
