

Freestanding floorlift max. 86 inch

062.7410 Freestanding floorlift, max 86 inch, 120 kg

If mounting to the wall and floor is not possible and you do not want a mobile trolley, this free-standing floor lift is the perfect solution. With its heavy floor plate, it is extremely stable and the wide range of the high-low adjustment means that your touchscreen can be used ergonomically by everyone.

The lift cabinet offers sufficient space for any peripheral equipment. With an optional lockable back-cover, you hide and protect it against theft and vandalism.
