

Stack frame Aluminium

112.4270 EOL | Stack frame Aluminium (Small 270) Max.500x560x270 (WxLxH)

Aluminium, lightweight, solid, fitted with a removable front, fine adjustment over 3 axes and still the most affordable frame on the market. This is the summary of a new line SmartMetals stack frames. The stack frames are available in different standard sizes and can be used independantly by means of a projector specific adapter plate. By the removable front, all models can be combined with projectors which are fitted with ultra-short throw or wide angle lenses. The frames are connected easily and are fitted with a 100x100mm mounting pattern for an adjustable truss adapter (002.4600). Using the 112.1019 truss mounts the stack frames can also be installed for a floor as well as portrait projection.

- ▶ SmartMetals stackframes are **TÜV and DGUV (former BGV-C1) certified**
- ▶ Also available for the [Epson L and NEC PA Series](#)

**This product is "End of Life" and will no longer be produced.
It can be supplied as long as stock lasts.**
