

Flat panel lift for cabinet max. 46 inch, 45 kg

182.7020 Flat panel lift for cabinet max. 46 inch, 45 kg

By implementing a cabinet mounted lift system you elevate the integration of your flat panel. Whether dedicated to a meeting room or cozy interior, our cabinet mounted lift systems are a must for collaborative or fun use and the smartest solution combining functionality and design to retain interior aesthetics.

Benefits:

- Interior aesthetics are retained by hiding the flat panel when not in use
- The flat panel is raised to desired height with a simple push of a button
- The cabinet lift offers ultimate safety due to integrated anti-collision
- The lift is suitable for all VESA patterns from 200 x 200 to 600 x 400 and comes complete with a cablechain and lid guides.
